Shopping and Arts & Crafts

fermanagh.lakelands.com
Welcome

A little bit of what you fancy does you good, so they say, so therefore search, browse, unearth and admire a bargain in an unrivalled shopping experience in Fermanagh.

The vibrant streets of the principal ‘island town’ of Enniskillen provides a large choice of well-known high street names and a fantastic range of products but also local and specialty shops, independent boutiques and family run businesses which cater for both the holidaymaker and the local community alike. Friendly staff will give ‘that little bit extra’ which reflects the excellent service for which the county is reputed.

Or slow the pace down a little in one of our smaller market towns – why not combine a day’s shopping with one of the festival events taking place.

You’ll be spoilt for choice, whether you’re looking to indulge in some serious retail therapy or simply relax and browse with the occasional stop-off in order to recharge with a coffee or a bite to eat and drink. Take time to meander around the attractive

Courtyard environment at the Buttermarket Craft & Design Centre and appreciate the artists at work in their studios which showcase Fermanagh’s rich craft offering.

For an absolutely unique retail experience why not visit either Belleek Pottery or the Sheelin Lace Museum. Belleek Pottery is the oldest working pottery in Ireland, founded in 1857. Take a tour and discover how this fine Parian china, known throughout the world, is expertly handcrafted. Afterwards visit the stunning showroom and purchase a piece of pottery to take home.

In addition to an award winning museum, The Sheelin Lace Shop in Bellanaleck is a treasure trove of antique Irish lace items and other vintage textiles and clothing. The perfect opportunity to pick up something you will cherish forever!

There are many reasons to visit and shop in Fermanagh, where there’s something for everyone, whatever the time of year.
