Effective destination marketing not only brings in tourists but also contributes to the economic development of the area.

So let’s work together and create a buzz around our sectors and what sets us a part from everyone else.

Una Burns, Charlie’s Bar, Enniskillen

Personally, I would definitely recommend Fermanagh Lakelands as an essential organisation to join. As a new member to the tourism industry, it connected me with the local industry professionals, guided me through the process of advertising and promotion and have been on the end of the phone for any queries I have had- which have been quite a few. A big thank you to the team. Don’t hesitate, just join it.
